

EASE Summer School Program 2022

Description

EASE Online Summer School Program 2022 aim to empowering science education through research sharing and collaboration. It creates scholar community of doctorate and master program students for sharing research experiences and initiating future research collaboration. The theme is “Finding out STEM (Science, Technology, Engineering, and Mathematics) Education for SDG’s”. However, other research themes on science education are welcome. This program is in correlate to EASE International Conference. Therefore, the participant can come from perspective doctorate/master students who participated into EASE International Conference.

It will be hosted by Post Graduate School of Science Education Universitas Pendidikan Indonesia (UPI) and Association of Indonesia Science Educators (PPII) on August 2nd- 6th 2022. During the 4 days, students from different region will get knowledge from senior professors about their work and experiences in science education. They will form 7 group of discussion that supported by a scholar. At each day there will be cultural performances from Indonesia and other region. At the fifth day all participant will join the international conference **I AM STEM** that will be held by Universitas Negeri Malang.

Universities which delegate their students will have several benefits. In example; collaboration opportunity among international students, students will get academic experience during the activities, it also open the cooperative publication.

Further Information

Host: Universitas Pendidikan Indonesia and Association of Indonesia Science Education(PPII)

Co-Host: Universitas Pakuan, Universitas Negeri Malang, Universitas Negeri Semarang,
Universitas Jember

Activities:

Lecture

- Group discussion
- Research collaboration initiation
- Cultural performance

***Group Discussion:** each group discusses the research draft of Ph.D or Master candidates, and research collaboration plan.

Participation:

EASE Member Region

- o delegate 1 Professor, 1 Coach, and 5 Students (Ph.D candidates or Master candidates).
- o Pay registration fee for students 5 x @ 70 US\$

Co-Host (Indonesia):

- o delegate 2 doctorate/master candidates
- o delegate 1 lecturer as coach
- o pay contribution fee 467 US\$ (7.000.000 IDR) for EASE Summer School Program
- o pay registration fee for students 2 x @ 70 US\$

Payment Information:

BNI (Bank Negara Indonesia)

SWIFT Code: BNINIDJAXXX

Account holder: Indarini Dwi Pursitasari

Account number: 0771816850

Application:

<http://bit.ly/EASESummerSchool>

Document to submits are:

- Personal information form
- Research proposal (1-2 pages that briefly explain the topic, objectives, background, methods, expected outcomes and plan of communicating with other regions, etc.)
